								<u>Explanation of Terms:</u>
								r=round, s=square, e=embossed
								p=pyro with its color
								special types like babyface,
								long neck, cop, amber, etc.
								Also design like ribbed
								Excellent=top condition-very minor flaw in the case of an exceptional bottle or item
								Excellent- or Very good + =Minor imperfections like small dings or light scratching
								Very Good=Nice bottle with some issues like staining, a small chip or slight pyro fading or missing.
								Good+= Some dings and chipping or some wear. Some pyro issues. Staining.

								Good= More serious issues like chips, wear, scratches, pyro loss-Staining.
								Fair+=Major issues, but bottle may be scarce or special
								Fair=Major issues-Heavy staining, large chips, dings, major pyro loss. Not very much value.
	*** Subject to Errors & Omissions							Poor= Bottle is totally damaged, stained, and so on and is basically worthless.
